Filipino

English

➤ COMPUTER SKILLS

troubleshooting PC hardware, software, and networking.

well-versed in programming languages such as Java, Python, and C++.

➤ VOLUNTEER EXPERIENCE

As a student of Information Technology, I volunteered at a local non-profit organization, where I assisted in developing and maintaining their website. My responsibilities included updating the website's content, optimizing its design for better user experience, and ensuring the website's security through regular maintenance and updates.
